The Missoula Farmers' Market (MFM) is a community-wide event that features local produce and food products. As a community event we are also interested in highlighting local bands or performers each week during the market season. We are especially seeking genres that fit the feel of the Market. Performers are allowed to sell CD's, and to collect tips during performances. A \$100 stipend is available. We strive to give our customers, vendors and artists a positive experience. We appreciate your willingness to play at the Market, and Thank you for your application! The Market Music Committee will begin reviewing applications on April 1st, 2019.
